JOIN US IN SPREADING THE TRUTH: DONALD J. TRUMP WON

Tangible, actionable evidence that the 2020 election was stolen has been uncovered and presented to the world in multiple credible forums including, recently, the PA and AZ State legislatures. Yet, the Democrats and their partners in the mainstream media and big tech continue their staunch and brazen suppression of the truth. WE NEED CONSERVATIVES LIKE YOU TO GET AROUND THEM.

We are gathering an army of Patriots at the DonaldsArmy.US Discord to implement a guerrilla-style deployment of the 1st Amendment.

Join here @ <https://discord.gg/Q7fwabkYqD>

Our mission?

To spread the truth about the 2020 general election, fight back against demoralization, and finally end the information suppression machine — once and for all.

Everything is at stake!

The future of our Republic hangs in the balance. They cannot silence 80 million Patriots roaring as one. Together, we will WIN.

1 Oh, you think that anybody who doesn't agree with you is acting on emotions instead of common sense, when it's you that's lacking the common sense.

The steal could not have happened without the GOP's consent. The fake Russian hoax could not have happened without the GOP's consent. They aren't your friends.

The only reason to vote for the treasonous GOP is if Trump is at the helm of the GOP. As long as he's there, then it makes sense to vote for GOP. If Biden ends up stealing the election, then it's a perfect time for an

2 ▼ If Trump is at the helm, it makes complete sense to vote them back in, just because Trump can arm-twist them into doing more for MAGA than Trump can arm-twist the Democrats into doing for MAGA. Without Trump at the helm, though, the GOP is just globalists, and I'm not in the least bit interested in helping them line their pockets.
